

What are our assessments in English?

80% - Will be made up of your top 3 grades from this year

20% - Summer Assessment

You will have a choice between the following:

- A) A speech on a topic of your choice (some of you have been working on this over the last number of weeks in preparation for CBA 1 Oral presentation)

OR

- B) An exam style question on Studied Fiction - Of Mice and Men

Can I do both? You can do both assignments if you wish - they are both valuable and will help you with your coursework for 3rd year. I will grade both and the best mark out of the two will go towards your assessment

Can I use my book, notes etc.?

Of course, that is what they are for! As long as the work is your own, you are free to use all of your resources like you would with a homework question/ assignment.

When is this due/ What are the important dates?

Monday, May 18th: Exam questions, in next week's Zoom I will be going through the exam questions and assigning them (I will send out all of the material from the class too). You can work on these over the week, before you submit them.

Monday 25th: Your work will be due on this day. You will have to e-mail it to me between 9.00-10.30 that morning. **Please do not send me the final assignments until they are due**

Over the next two weeks: Email me if you have any questions or concerns

What can I do to prepare:

- Continue to work on your speech using the Power Point with the preparation tasks sent to you in the last work package
- Use the Revision Booklet and your class notes and chapter summaries on *Of Mice and Men* that I have attached with this work package.
