Common Level

Success Criteria

See how you will be
marked
on the next page

'Etching' drawing by Lucien Freud, 2003
<https://www.artgallery.nsw.gov.au/collection/works/106.2003/>

Cat drawing by Leonardo da Vinci, 15th/16th C

<https://www.fiverr.com/jexn00/do-a-realistic-drawing-of-your-eye>

Success Criteria:

1. You have used a your own primary source (15%)
2. **Composition** - placement & size on page (15%)
3. **Shape/Line drawing** - accuracy of shape through careful observation (30%)
4. (a) **Tone/Colour** - your observation of light & shade & tone application ensures the object looks 3D - if you use colour, you must show colour tone (20%)
(b) **Tonal technique** - the way you add shading to your drawing (if the part you're shading is curved, your shading lines are curved - following the contours of the object ..etc) (10%)
5. **Texture** - you have shown the **surface quality** through your drawing technique (10%)

Total:100% (worth 20% of your overall assessment)
