

As part of your task write up, I would like you to focus on the subjects that you were in during ' A Day in the Life of the CPPS': Woodwork, Art, Home Economics, Music, PE, Science and Tutor class. You need to use the following headings below for each subject:

- Description of the activity (give an overall summary of what went on in the classroom.)
- Description of your role (what did you do in the class to help?)
- Description of group's roles (what did everyone do?)
- Resources used (what equipment was used to help the students learn?)
- Problems encountered (was there any problems?)
- Health and Safety
