

Chapter 11: Insurance

- Please start a new page of your Business Studies copy and put the heading Chapter 11: Insurance at the top of your page.
- Please put a date on the top of your page too (21st April 2020).

Learning Intentions: (What you will learn today?)

- What is insurance?
- Types of insurance
- How does insurance work?

Please complete the following activities:

1. Keyword Checklist

- Use your textbook page 130, find the keyword box on this page.
- Draw a grid into your copy and write down all of the keywords.
- Put a tick beside the words that you already know, do not worry if you do not know the words yet 😊

2. Brainstorming Time

- Draw the cloud which is below.
- Draw an arrow from the left side of the cloud and write down what you think insurance is.
- Go to your textbook on page 130 and write down the correct definition of insurance on the right side of the cloud.

3. Research Time

- Draw a grid/ box in your copy. Your subheading will be 'Types of insurance'.
- Write down the different types of insurance a household or business may need to get. (What items would a house/business have to insure?)

- I will announce a winner for the person who gets the correct and highest amount for this activity 'Types of Insurance'.

4. Summary Time

I just need
the main ideas

- Read textbook page 131: 'How does insurance work?'
- Write down in your copy 2-3 sentences on how it works?
