

Questions to answer before you watch the film

1. Do you think extra-terrestrial life exists? Why or why not?
2. What do you think alien visitors might look like?

My Film Notebook

First years I would like you to watch E.T. The Extra-Terrestrial and I would also like you to keep a film notebook while you watch it.

I will use my film notebook to write about...

1. Key moments
2. Themes
3. Characters
4. Relationships
5. Imagery
6. Sound

While watching the film this week I would like you to write down one or two sentences on each of the key moments, characters and relationships within the film.
