

Revision for Summer Assessment

Vocational Preparation

What do you need to revise?

- Letters to potential employers- Remember the correct layout for letters that we complete in class.

Summary of Work Experience:

- Choose one of your work placements that you complete in 5th year:
- To list the skills that you learnt during your placement.
- To give a summary of what you complete/ jobs you did during your placement.
- What did you learn from your work placement good and bad experiences)?
- What ideas/ strategies did you develop that you could bring forward to your next work placement?
