Activity 2:

Look up the map of the world. Draw a sketch of the map.

Mark on the map of the world below each of the countries listed above.

Activity 3:

The currency of each country has an international code. For each of the following codes, use the website www.xe.com to find the currency and country that uses it.

Currency Code	Currency	Country
EUR		
GBP		
USD		
CAD		
AUD		
INR		
CHF		
CNY		
JPY
