

Wood Technology Challenges

CHALLENGE 3

Wood in my home or garden

Wood is often used to make both household and garden furniture.

Select an item of wooden furniture in your home or garden and create a sketch of it.

Suggest one design improvement you would like to make to this item of furniture.

CHALLENGE 4

Design Challenge

Design a stand for your phone or tablet from a **single** block of wood like the one shown above.

Sketch your design ideas and create a model from cardboard or other suitable materials of your design(s).
